

WHO can attend?

- Upcoming juniors/seniors with disabilities
- Graduating seniors with disabilities
- Parents and professionals of students attending CBA

WHAT do sessions include?

Information on supports available at college and how to get them, self-advocacy, assistive technology, mental health awareness, organization/time management skills, study skills and financial aid!

HOW do I register?

On the Arkansas Transition Services website or at:
tinyurl.com/collegeboundarkansas!

WHERE & WHEN will it be held?

June 3-5, 2024 on the University of Central Arkansas (UCA) campus!!

WHY is it important?

Making decisions about post-secondary education can be overwhelming! College Bound Arkansas can help ease some of these feelings by providing information and the opportunity to ask questions of professionals who have knowledge and experience. Students stay in UCA dorms, helping them have a better understanding of what to expect of campus life. They are placed on teams with peers and mentored by college students currently using supports at the college level. Multiple opportunities are provided to eat together, work together, and socialize during fun activities. Everyone who attends is sure to benefit! Just read the testimonials below...

“Very informative and helpful. Definitely helped me in figuring out that there is help out there!”

“It was wonderful for an educator to help with students preparing for post high school life!”
