The Transition Employment Program is a one-week comprehensive pre-employment transition service held on the campus of the Arkansas School for Mathematics, Sciences, and the Arts (ASMSA). TEP was developed by the Arkansas Transition Project and the Arkansas Career Development Center. It was designed to assist high school students with disabilities that have completed the 11th grade in discovering their skills, abilities, interests, strengths, and career goals.

Contact the ARS Transition Office to apply!
See the back for more details.
