

Agency Information Questions for Teachers

If you are uncertain what services are provided by agencies serving students with disabilities in your area, take some time to call from our list on the Arkansas Agencies Tab—keep in mind there could be agencies not on this list and specific only to your area. Contact your Transition Consultant if you need help in identifying those agencies.

Agency Name:	
Agency Contact Person:	
Phone:	Address:
Agency's goal in providing services:	
Does this agency/program provide services for individuals with any type of disability or only a specific disability? (note which disabilities):	
What are some general eligibility requirements?	
Age:	income: area served:
Other:	
Are there costs associated with services?	
Is financial assistance available if there is a cost?	
Is transportation a service provided by the agency/program?	
Is there a waiting list for services?	
What is the eligibility determination period when deciding if an individual is eligible for services?	
Can an agency representative come and speak to the class to provide information to the students?	
Should this agency be invited to a Transition Fair at your school?
