Social and Vocational Abilities Listing

Check all to which apply	☐ Understand directions containing
	propositions, e.g.; "on", "in", etc.
MOBILITY	☐ Speech is very difficult to
☐ Lifts head	understand
□ Rolls over	☐ Speech is somewhat difficult to
☐ Sits with support	understand
☐ Crawls	☐Speech is easily understood
☐ Pulls to stand	
☐ Stands without support	SOCIALIZATION
☐ Unable to walk	☐ Recognizes family members
☐ Walks with assistance	☐ Recognizes other non-family
☐ Limps or walks unsteadily	members
☐ Walks with no difficulty	☐ Knows information about others,
☐ Stands on one foot for two seconds if	e.g., job, address, relation to self
asked	☐ Shows affection to others
☐ Runs without failing	☐ Is careful not to hurt self
☐ Walks up and down stairs	☐ Is careful not to hurt others
☐ Runs without falling	☐ Is careful not to disturb others'
☐ Hops, skips or jumps	belongings or damage property
	☐ Has preference for some persons
COMMUNICATION	over others
☐ Searches for sounds with eyes	☐ Does <u>not</u> respond to others in a
☐ Turns head towards sounds	socially acceptable manner
☐ Follows moving objects with eyes	☐ Does <u>not</u> respond to others in a
☐ Listens to music	socially acceptable manner
☐ Responds to "No"	☐ Has little interaction with others
☐ Smiles/nods head when happy	☐ Participates in group activities if
☐ Chuckles/laughs when happy	encouraged
☐ Indicates wants by pointing or vocal	☐ Participates in groups
noises	spontaneously
☐ Expresses anger by vocal noises	Cooperates and shares with others
☐ Responds to directions	Willingly obeys simple
☐ Communicates with gestures	commands
☐ Communicates with sounds	☐ Will <u>not</u> engage in assigned
☐ Speaks single words	activities
☐ Speaks in phrases	☐ Initiates most of own activities
☐ Speaks in sentences	☐ Maintains self control when angry
☐ Answers simple questions	Seeks attention in appropriate
☐ Asks questions	ways
☐ Expresses feelings and desires	
☐ Uses complex sentences	
☐ Understand directions with a specific	
order	

□ Does not use money □ Uses money, but does not make correct change □ Adds different coins up to one dollar □ Makes change correctly with coins and dollars □ Uses bank facilities independently □ Buys owns clothing accessories □ Buys all of own clothing VOCATIONAL □ Able to navigate living area alone □ Able to navigate a few blocks from home independently □ Write and prints own name □ Writes and prints forty words □ Writes and prints forty words □ Writes and prints short notes or memos □ Recognizes ten or more words by sight □ Reads various signs "Women", "Men", etc. □ Reads simple stories or comics □ Discriminates between one, many and a lot □ Counts two objects □ Mechanically counts to ten □ Counts ten or more objects □ Able to do simple addition and subtraction □ Understand concept of time, but not able to tell time independently □ Is able to follow a picture schedule to determine when events occur □ Associates time with various actions or events □ Tells time correctly to the hour □ Tells time correctly hourly intervals □ Performs simple tasks with assistance □ Performs simple work independently, e.g. mopping, wiping tables, assembly work □ Performs a job requiring use of tools or machinery, e.g. shop work, yard work □ Able to pay attention for intervals of fifteen minutes □ Able to pay attention for intervals of fifteen minutes □ Able to pay attention for intervals of fifteen minutes	MONEY HANDLING	PURCHASING	
□ Uses money, but does not make correct change □ Adds different coins up to one dollar □ Makes change correctly with coins and dollars □ Uses bank facilities independently □ Buys owns clothing accessories □ Buys all of own clothing VOCATIONAL □ Able to navigate living area alone □ Able to navigate several blocks from home independently □ Write and prints own name □ Writes and prints ten words □ Writes and prints short notes or memos □ Recognizes fewer than 10 words □ Reads various signs "Women", "Men", etc. □ Reads simple stories or comics □ Discriminates between one, many and a lot □ Counts two objects □ Able to do simple addition and subtraction □ Understand concept of time, but not able to tell time independently □ Is able to follow a picture schedule to determine when events occur □ Associates time with various actions or events □ Tells time correctly to the hour □ Tells time correctly bourly intervals □ Performs simple tasks with assistance □ Performs simple with close supervision □ Able to pay attention for intervals of fifteen minutes □ Able to pay attention for intervals of more than fifteen minutes	☐ Does not use money	☐ Does no shopping	
correct change supervision Does shopping with slight supervision Makes change correctly with coins and dollars Makes change correctly with coins and dollars Makes minor purchases independently Buys owns clothing accessories Buys all of own clothing Buys all of own clothing WoCATIONAL Able to navigate a few blocks from home independently Buys all of own clothing Write and prints own name Writes and prints ten words Writes and prints short notes or memos Recognizes fewer than 10 words Reads various signs "Women", "Men", etc. Reads simple stories or comics Discriminates between one, many and a lot Counts two objects Able to do simple addition and subtraction Understand concept of time, but not able to tell time independently as able to follow a picture schedule to determine when events occur Associates time with various actions or events Tells time correctly to the hour Tells time correctly to the hour Tells time correctly to the hour Performs simple tasks with assistance Performs a job requiring use of tools or machinery, e.g. shop work, yard work Able to pay attention for intervals of fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes Able to pay attention for intervals of more than fifteen minutes			
Adds different coins up to one dollar Makes change correctly with coins and dollars Wakes change correctly with coins and dollars Wakes bank facilities independently Buys owns clothing accessories Buys all of own clothing	•	supervision	
Makes change correctly with coins and dollars	☐ Adds different coins up to one dollar	☐ Does shopping with slight	
Uses bank facilities independently Buys owns clothing accessories Buys all of own clothing VOCATIONAL Able to navigate living area alone Able to navigate a few blocks from home independently Write and prints own name Writes and prints ten words Writes and prints forty words Writes and prints short notes or memos Recognizes fewer than 10 words Recognizes fewer than 10 words Recognizes ten or more words by sight Reads various signs "Women", "Men", etc. Reads simple stories or comics Discriminates between one, many and a lot Counts two objects Mechanically counts to ten Counts ten or more objects Able to do simple addition and subtraction Understand concept of time, but not able to tell time independently Is able to follow a picture schedule to determine when events occur Associates time with various actions or events Tells time correctly to the hour Tells time correctly to the hour Tells time correctly hourly intervals Performs simple tasks with assistance Performs simple work independently, e.g. mopping, wiping tables, assembly work Performs a job requiring use of tools or machinery, e.g. shop work, yard work Able to pay attention for intervals of fifteen minutes Able to pay attention for intervals of more than fifteen minutes
